

GOD'S DESIGN FOR THE FAMILY

God designed marriage. He made woman because He saw it was not good for the man to be alone (Genesis 2:18). Then, he designed marriage for them (Genesis 2:24). Marriage is to consist of one woman (the wife) and one man (the husband) (I Corinthians 7:2). Marriage is to be honored (Hebrews 13:4 AMP). Marriage is designed to be forever (I Corinthians 7:10-11)

From this marriage union the blessing of children come forth (Psalms 127:5 AMP). Parents are then charged with the responsibility of raising and training these children (Proverbs 22:6, Ephesians 6:4).

This is God's plan. Through human failings and weaknesses, all families don't follow this structure and plan. Therefore, all kind of family types evolve: two parent, one parent, divorced, never married, widowed, etc. So, we try to love people where they are and help them reach the place God would have them to be.
